

# Alligator Sausage

(Pork and Alligator)

Our sausage is a mouthwatering mix of alligator meat and pork meat blended with sensational spices that you just can't stop eating. It is that good!

Available in smoked links or raw in bulk so that you can make your own patties, burgers or crumbles for queso and taco ingredients. Can also be added to stuffings or other sauces, mixes etc. The possibilities are endless.

Or keep it simple and use the smoked links (fully cooked) as an appetizer. Alligator sausage provides a delicious and economical option for having alligator on your menu. Simply brown the links and slice them or drop in the deep fryer for 30 just seconds for an extra quick easy prep. *Natural ingredients, no preservatives.*
